

# User Access Rules

Break through your data

# Access rules

Access rules will give you complete flexibility on which information to show or not to show to your users.

User ID	Status	User Name	Login	Password	User role	User access rule	Show hints	No of screens	Manage screens
3	<input checked="" type="checkbox"/>	5gVision support	5gvision-5g	Enter new to change	Admin		<input checked="" type="checkbox"/>	35	<a href="#">Screens</a>
4	<input checked="" type="checkbox"/>	Admin	admin	Enter new to change	Admin		<input checked="" type="checkbox"/>	18	<a href="#">Screens</a>
9	<input checked="" type="checkbox"/>	Customer Template	template	Enter new to change	User	SNMP (4)	<input checked="" type="checkbox"/>	9	<a href="#">Screens</a>
10	<input checked="" type="checkbox"/>	andrey	andrey	Enter new to change	Admin	Exclude CDRs screen (9)	<input checked="" type="checkbox"/>	18	<a href="#">Screens</a>
12	<input checked="" type="checkbox"/>	Jack	jack	Enter new to change	Admin		<input checked="" type="checkbox"/>	25	<a href="#">Screens</a>
13	<input checked="" type="checkbox"/>	Alex	alex	Enter new to change	User read-only	<input type="text"/>	<input checked="" type="checkbox"/>	18	<a href="#">Screens</a>
14	<input checked="" type="checkbox"/>	Mike	mike	Enter new to change					
15	<input checked="" type="checkbox"/>	John	john	Enter new to change					

Rule ID	Status	Access rule name	Object group name	Parameter group name
0	<input checked="" type="checkbox"/>			
9	<input checked="" type="checkbox"/>	Exclude CDRs screen		
8	<input checked="" type="checkbox"/>	Sales access rule	Certain customers only (6)	Only VoIP parameters (2)
7	<input checked="" type="checkbox"/>	Do not show billing info		No billing stats (1)

Each user may be assigned an access rule (above), restricting access to: **objects, parameters, or interface tables (below).**

Rule ID	Status	Access rule name	Object group name	Parameter group name	Table group name
9	<input checked="" type="checkbox"/>	Exclude CDRs screen			No CDRs, DC or Calls (5)
8	<input checked="" type="checkbox"/>	Sales access rule	Certain customers only (6)	Only VoIP parameters (2)	Only main VoIP stats screen (4)
7	<input checked="" type="checkbox"/>	Do not show billing info		No billing stats (1)	
6	<input checked="" type="checkbox"/>	Show only partners	Only VoIP objects (5)		No System config (3)
5	<input checked="" type="checkbox"/>	Empty rule			
4	<input checked="" type="checkbox"/>	SNMP	SNMP only (4)		SNMP (2)
1	<input checked="" type="checkbox"/>	TEST Access Rule	Customers and Areas (1)	No billing stats (1)	No CDRs (1)

Likewise, parameters can be excluded/included individually or by logical parameter groups (for instance, Billing parameters, SNMP parameters).
